Date: 2022/02/17

Highlights:

NCR CIG

- A video was posted by George "Tiger" SAMMAN's Facebook account (ID 100076502541434) on 2022-02-15 2208.
 - The video is of a duration of 55:22 had 28000 views and more than 4900 comments.
 - At 06:00 of 55:22 George "Tiger" SAMMAN says in French that they want "The abolition of the current Government"
- The Freedom Convoy 2022 Facebook page has shared a video (Feb 16,2022) titled "Update". In the video, Tamara LICH appears emotional. CIG has flagged the following statements from the video:
 - "Show respect to our police officers. A lot of these men and women. Although I know it's not an excuse, are probably just trying to feed their families."
 - "There's a lot of rightful anger to our government but I want you to know that Justin Trudeau has three beautiful children. So remember that. We don't have to like what he does. But I'm going to ask you to pray for him to and ask you when you fly a Fuck Trudeau sign, that he has three kids, just like me."
 - I think it's inevitable at this point but I'll probably be going somewhere tomorrow where ill be getting three square meals a day, and that's okay, I'm okay with that. And I want you to know that I am not afraid. Ill probably get some sleep finally."
 - "Just please stay peaceful."
 - "It's time to stand together. If you can come to Ottawa and stand with us that would be fantastic. And if you can't pray for us."
- Pat King on Facebook live calling to have people attend "Rideau / Wellington" to "help the Quebec crew"
King showed screen of truck he is in. Listening to OPP / EMS / OFD radio stream from internet. King taking heat from other people on the trucker radio that he has no plan. One person heard saying that they will not sit back and watch someone get dragged from their truck / roughed up by police. That there are more "them" than police. Appears he had done his own reconnaissance as he's mentioning multiple businesses / vehicles with police staging at "Infinity Convention Centre"
- Freedom Convoy 2022 published a press conference yesterday evening from the Sheraton hotel and in attendance was Daniel BULFORD (Former RCMP sniper/ observer), Vincent GIRCYS (Served 32 years with the OPP as a forensic investigator), Veteran **REDACTED**. During their press conference they state that under the new emergency act, families are allowed to attend with their kids at anytime If they demonstrate peacefully and do not "Block critical infrastructure, engage in violence or disrupt trade".

GIRCYS states: "During my time here, I have seen nothing but love and kindness". BULFORD then says; "We call on our fellow Canadians to come to Ottawa and exercise their legal right of assembly and protest. The more Canadians that come to Ottawa will make it harder on the government to get the police to follow their illegal order."

- In a TikTok video published by Christopher BARBER, he states; "Apparently its aggression day from police here in Ottawa". And calls for anyone that can attend to come to the downtown core. "We need bodies"
- CIG 1049: OPP Intelligence reports that numerous posts related to Pat KING following an incident with Cree Clan Mother/Elder Nancie Scanie:
 - "Make this go viral. Freedom Convoy leader Pat King has slandered a revered elder and is appropriating/insulting native culture.
 - Spoke with Cree Clan Mother/Elder Nancy Scanie, 83, of Cold Lake FN this afternoon. She's furious that Pat King is using her name to tout his agenda. She says it's a lie that she is giving or supporting him to be a pipe carrier. Said she told him to never speak to her again. Our call.
 - The Facebook post includes video and audio of the interview with Elder Nancy Scanie, disavowing KING's claims and asking KING to apologize to her as his lies have damaged her reputation.
- Telegram account THE FERRYMAN'S TOLL, associated to Alex VRIEND, has posted a short video at 1203hrs. The narration says: "That's a lot of unmarked cars at the EY Centre I dunno something to consider."
- A new post from Feb. 16, features MACKENZIE and Diagonon member Ferryman's Toll (Alex VRIEND) walking what appears to be a rural property. This is another indication that they appear to be concerned that someone scouted the property. On Feb. 15, MACKENZIE posted a video and described what he thought was an attempt to scout the property (HCEIT 033-22) he was living at based on footprints in the snow. A new, lengthier video, posted by VRIEND shows him and an unidentified person (possible MACKENZIE) walking the property. They indicate their belief that someone or some people walked the property and retrieve a discarded Tim Hortons cup as evidence
 - Another key figure of the Plaid Army/Diagonon movement Derek HARRISON posted two videos on Feb. 16 to his Telegram account saying he was going dark. Likely in light of the Coutts arrests.
 - However, VRIEND then appears to make an original post to HARRISON's Telegram account. In the video he repeats a message MACKENZIE had made in his Feb. 16 livestream. They both said the idea of Diagonon is a "meme" and found it hilarious if Diagonon is said by a politician and begs to have Trudeau say it.
- A video posted to YouTube which shows that vehicles appear to have been shifted, and moved closer together. The individual in the video ("Matt") explained that this was done to make it harder to tow away vehicles.
- A Facebook post made by **REDACTED** The post states:
 - "Bus is Booked Seats still available \$65pp includes return. Leave Julius Bistro 6:30am arrive in Ottawa aprox 11:30 return on Bus for Departure 5 pm sharp. Call or text **REDACTED**
 - Of note, MARCHESE responds to a comments indicating approximately 15 seats are still available.
- Info received from brother of Farfadaa member Christian MAYRAND may have access to fire and says is at the Convoy. BOLO sent.
- Info circulating by the crowd of protester that they are aware that officers are sleeping at the Chateau Laurier
- Judgement on Farfadaas- An injunction was granted and members of the Farfadaa group were ordered to vacate the premises. They were given till tomorrow at 1600hrs to leave
- RCMP reported the following: Truckers were observed setting up their hydraulics in order to make it harder to tow them.

- A video on YouTube where Shane MARSHALL and RED [REDACTED] attended a press conference this afternoon, believed to be at the Lord Elgin Hotel. The press conference was to address the Emergencies Act, and the significant consequences this poses to democracy, the Freedom Convoy and Canadian society.
 - Some of the speakers at the Press Conference included Dayna METCALFE, RED [REDACTED], David AMBER, Bruce PARDY, Cecil LYON.

Broadly speaking, the speakers covered the following topics:

- An appeal to law enforcement in Ottawa to use discretion to support Convoy participants, and not follow the "corrupt and criminal" government.
 - Conditions and thresholds have not been met to invoke the Emergencies Act, from their perspective.
 - Anti-science and anti-traditional media rhetoric.
 - Two people asked questions about who to contact as their bank accounts had been frozen.
- OPP Intel reports that a Facebook Group named "Freedom Convoy 2022" is advising people heading to downtown Ottawa that the police are stopping vehicles. Possible solutions were posted: "*Coming from West Park in Westboro and take the train*" and "*if you are east you can take the train at St Laurent or Ogilvie*"
